

CAPABILITY STATEMENT

CORE COMPETENCIES

- Mil-spec and aerospace-grade component distribution: circular and rectangular connectors, contacts, backshells, terminals, wire and cable, relays and switches.
- Hard-to-find and obsolete part sourcing through a vetted network of authorized distributors and franchised channels.
- Multi-vendor RFQ management with quotes returned in 48 hours, 24 hours for AOG requirements.
- Incoming inspection and documentation control: certificates of conformance, lot traceability, material test reports.
- Export compliance and international logistics: EEI filing, ITAR-controlled handling, customs and door-to-door delivery.
- ASTM D5118 compliant packaging with MIL-STD marking and preservation.

DIFFERENTIATORS

- ITAR registered with the U.S. Department of State (DDTC), supporting export-controlled defense articles end to end.
- Counterfeit mitigation built on authorized-channel sourcing and AS6081 principles, with full lot traceability on every shipment.
- Direct-to-principal engagement: no layered sales structure, decisions and quotes come from ownership.
- Documentation treated as deliverable, not afterthought. Compliance packages arrive complete with the hardware.
- Deep coverage across 77 mil-spec families and 700+ actively quoted part numbers.
- Proven international defense supply chain execution into allied programs.

PAST PERFORMANCE

Ongoing sustained supply of mil-spec interconnect and wiring components into allied defense programs, supporting both production and aftermarket requirements. Detailed references and program specifics available on request.

COMPANY DATA

LEGAL ENTITY	Speedforce Industries LLC
BUSINESS TYPE	Limited Liability Company, California, USA
DDTC REGISTRATION	M53947 (Manufacturer/Exporter, valid through 2027-05-31)
TAX ID (EIN)	93-2029043
CAGE / SAM	Registration in process
NAICS CODES	423860, 423690, 423610
QUALITY SYSTEM	AS9120B compliant aerospace distribution
ADDRESS	23342 Peralta Dr., Ste. 4, Laguna Hills, CA 92653 USA
POINT OF CONTACT	Liam Goodyear, Chief Executive Officer
CONTACT	liam@spdfrc.com (657) 999-5099 spdfrc.com
